

Dear DHOMA Area Groups:

The **DHOMA Area Public Relations Committee of Narcotics Anonymous** sends our greetings and hopes that this letter finds you enjoying your recovery. In the spirit of unity and our primary purpose, we are reaching out to you, the groups of DHOMA, so that together we can better carry the message of recovery to the still suffering addict in our area. We want to help you carry that message, and we hope that you will, in turn, help us in our efforts to fulfill our primary purpose.

***Each element of our service structure has its own role to play; all, however, serve together as a team, striving toward a common goal, "that no addict seeking recovery need die without having the chance to find a new way of life."***  
***Twelve Concepts of NA Service***

It has been a number of months since we have had members from all of the groups located in our service area (Ozark, Rockaway Beach, Crane, Galena, Mt. Vernon, Branson, Branson West, Highlandville, etc.) attend our Area Service meeting. We believe that all NA groups in our area have a valuable contribution to make to our service efforts and we hope to rekindle our relationship to better achieve our mutual goals. We work on various projects throughout the year and desire your group's experience and involvement in these service projects:

- Strengthen our unity
- Help us carry the message to the addict who still suffers
- Help us attract new members
- Improve our service delivery
- Give individuals an opportunity to experience the benefits of service work
- Provide the opportunity to earn community service hours (if approved by your courts/probation)
- Increase area activities where addicts can gather in a safe atmosphere and have fun in recovery
- To serve on area committees

We are reaching out to you and to your home group to see how the DHOMA area can be of service to you and request your assistance in joining in the Area Service efforts. We ask that you take our message back to your home group and extend an invitation to attend the DHOMA Area Service meeting scheduled the first Sunday of every month at 2:pm, Sub-Committees meet at 1:pm. If you need directions or more information, please feel free to contact any of the Trusted Servants listed below. They would be happy to answer your questions.

***Our Twelfth Step says, in part, that "having had a spiritual awakening," we individually "tried to carry this message to the addicts." Our collective service efforts arise from that same spiritual foundation. Having experienced the results of this program in our own lives, we join together to carry the recovery message further than we could individually.***
